

THE MOST IMPORTANT CONVERSATION WE'RE NOT HAVING

ADVANCE CARE PLANNING PRESENTATION

Tuesday November 28, 2017 | 10:00am-11:30am

Ahoskie Public Library | 210 Church Street | Ahoskie, NC 27910

Bringing up end-of-life issues with your family can be challenging. Making your wishes known in legal documents can be even tougher. Yet, having the conversation now, while you're well and not in a crisis, will help ensure that your wishes are honored. That's why the Ahoskie Public Library and Vidant Roanoke Chowan Hospital are offering this special event.

You'll learn how crucial it is to take action now to specify how you want to be cared for during your final days. It's also valuable if you're a victim of a serious injury or illness — even temporarily. Topic experts will bring legal, health care and faith perspectives to help you with your planning and will offer step by step instructions for completing your living will, health care power of attorney and other important legal documents.

Space is limited. To pre-register for this event, please call 855.698. 4326

Note: Photo ID is required for the completion of documents.
